EXCLUSIVE COLOR COLLECTION

HONEYED. BEACHY. PLATINUM. SUNKISSED.

An icon of sun, surf, glamour, and play, nothing embodies southern California vibes quite like a blonde style. Jon Renau's newest color collection, California Blonde, introduces a spectrum of gorgeous blonde hues, from the golden warm tones of Malibu and the brightness of Laguna to edgy, sun-bleached Venice & the desert cool of Palm Springs. With softly rooted gradients and subtle dimension-defining highlights, these colors perfect blonde realism.
